

OAKLAND UNITED BEERWORKS

SAFETY PROTOCOL FOR PATRONS:

Maintain a 6-ft distance from each other when not seated at your table.

Food and drink will be brought to you on a serving tray.

Servers will check in on you periodically to reduce the need for you to leave your table. Please order additional items from staff when they come around to check on you.

As you exit, please dispose of your own serving ware.

All tables are sanitized between guests and all commonly touched items, such as handrails, are sanitized regularly.

Restrooms are located inside the taproom. Please check in with a staff member to have your temperature taken prior to entering the building.

If you have any symptoms, such as fever or other flu-like symptoms, please stay at home.

If you are concerned by anything you see, please let our staff know right away.

THANK YOU for helping us keep our guests and staff safe.
